Congratulations Pinter!

You've made it back to present day with four unusual answers from other times. Use these answers to assemble an actual jigsaw puzzle (cut out shapes below), then use your final instructions to decode this "pintcode" message. Don't forget to ask GC for help!

# 10<sup>th</sup> Anniversary T-Shirt

In the months leading up to this Puzzled Pint event, we released a limited edition t-shirt. Purchasing the shirt is not required, but we thought it would be useful to show off the design. During an in-person event, you might have seen Game Control members or fellow players wearing a shirt with this design on the back.
