The musical score consists of five staves. The first staff uses a unique notation for 1-count rests (a squiggle) and 2-count notes (a vertical line with a dot). The second staff uses half notes. The third staff uses quarter notes. The fourth staff uses chords. The fifth staff uses quarter notes and rests.

Add another crime to the Christmas crook's wrongs:
The thief's gone and ruined all of Whoville's songs!
Their carols are off-kilter, off-beat and off-key,
It's complete and utter cacophony!
Work through the tunes to *hear* the sounds underneath,
And learn the item of note taken by the thief!

Legend:

⌘ = 1 count rest

— = whole measure rest

♪ = 1 count note

♩ = 2 count note
