Our time-traveling leotard has sent us back to July 2013 and landed us **right on top of the location puzzle** from that month! We don't need to solve it, but if we use the clues in the boxes below to figure out who played which songs from this era, we'll know exactly **where to dig** to find the name of the jerky, metallic dance we need to do to travel back to the present. Optionally, you can also put the answer into this URL: https://tinyurl.com/_____dance
